Appointments And Disappointments.

Capt. Chas. Erdman, of Louisville, has been appointed consul at Breslau, Germany. He was consul at the point during the Harrison administration.

Dr. A. D. James, of Muhlenburg county, was Saturday appointed United States Marshal for Kentucky. It is thought now that Senator Deboe's entire slate will go through.

B. J. Clay, of Richmond, who failed to get the Switzerland mission, has been offered the mission to Argentine Republic, which pays \$10,000 per year. Mr. Clay wants to go to Denmark or Netherlands.

A Tariff On Water.

For the ten days ending June 12, the applications for pensions amounted to 14,300, an average of 1,430 per day. At this rate there is no telling how many more pensioners may get upon the list or how many more billions of dollars the people will have to pay. It is by far the most monstrous fraud with which any Government has had to contend. This country has already paid out more than \$2,000,000,000 for pensions since the close of the war, thirty-two years ago, and applications for other pensions are still rolling in. In order to keep up this figure for thirty-two years longer, the revenue raisers will have to put a tariff on water, and, if there must be a tub to the whale, give manufacturers a differential on steam.—[Louisville Times.]

The celebration of Queen Victoria's jubilee began Sunday morning with special services in every cathedral church and chapel of the church of England. The Queen and members of her family attended services at St. George's chapel, Windsor. See London dispatches on second page.

There are fifty-seven Senators in favor of Hawaiian annexation, just three less than the requisite two-thirds. Eleven are undecided.

W. J. BRYAN will attend a convention of Silver Clubs to-night in Cincinnati.

K. P. A. Officers.

The Kentucky Press Association was royally entertained at Middlesboro Friday. At the close of the business meeting officers were elected as follows: L. W. Gaines, President; H. E. Woolfolk, First Vice President; J. H. Westover, Second Vice President; R. E. Morningstar, Secretary.

A Debate In Music Alley.

[Walter Champ In Judge.]

THE salvation army had stopped in front of a basement in Music alley where the one-gallus gamins club was holding its regular meeting. The lieutenant's theme was "Ye must be born again."

The club had just been called to order when Patsey Grubbs astonished Chairman Mickey Murphy by inquiring "Wot would youse fellers be ef yer wus born agin?"

"I'd be Fitzsimmons," said the chairman, "an I'd beat de face off de copper wot kicked me dis mornin'."

"I'd be McKinley, an I'd make it agin de law fer shows ter charge more dan a nickel fer de gallery," remarked Chimie Wotell.

"As fer me," put in Jakie Cohen, "I'd be Chauncey Depew, fer he gits inter more banquets dan enny bloke 'cept de prince uv Wales."

"Youse fellers don't know a good thing wen youse see it," chimed "Nosey" Marks. "I'd be a play-actor an' have all de matinee-gals stuck on me."

"Ef I had ter be born agin," said Saumie Nervine, "I'd be a champeen base-ball pitcher an' have me pictur' in de papers ev'ry day."

Just then the lieutenant said with great emphasis, "Ye that are born agin shall be washed whiter than snow."

And the meeting of the gamins one-gallus club broke up in great consternation.

Important Decisions.

Judge Hazelrigg, of the Court of Appeals, holds that building and loan associations are usurious if the combined interest and dues exacted from stockholders exceeds 6 per cent.

Judge Cantrill has decided adversely to the proposed \$500,000 State bond issue. Should the Court of Appeals sustain him the revenue scheme for 1898 will be knocked out.

A Cyclist's Exciting Experience.

YESTERDAY evening U. S. Gauger Howard Sinclair, of Georgetown, had an exciting experience while coming to Paris on his wheel from Peacock Distillery. As he started to pass a cart containing two men, one leading a horse, the latter kicked at Sinclair and landed him on the road-side. One of the horse's feet smashed the front wheel of Sinclair's bicycle and the other foot struck the saddle. The horse then jerked one of the men out of the cart but he also escaped injury.

Only One Standard

You and we may differ as to money standards and out of our very differences good may come. But we won't differ as to the merits of one standard emulsion of cod liver oil.

SCOTT'S EMULSION has won and held its way for nearly 25 years in the world of medicine until to-day it is almost as much the standard in all cases of lung trouble, and every condition of wasting whether in child or adult as quinine is in malarial fevers.

Differ on the money question if you will, but when it comes to a question of health, perhaps of life and death, get the standard.

Your druggist sells Scott's Emulsion. Two sizes, 50 cts. and \$1.00. SCOTT & BOWNE, New York.

WHEEL NOTES.

Lines About Devotees Of The Wheel, At Home And Elsewhere.

Lexington wants the meet next year.

Dan Hemphill, the well known racer, of Nicholasville, was in the city Sunday.

E. L. Willetts and G. A. Denier wheeled to Paris from Maysville Saturday and returned Sunday afternoon.

Mr. Gaither Smith and wife wheeled from Carlisle to Paris Friday afternoon and spent the night at Dr. Joe Fithian's.

A lady cyclist who was injured and had her wheel broken by being run down by a wagon at Dayton, O., has been given a verdict for \$300 damages and costs.

Newt. G. Crawford, M. J. Fleck, Prince Wells, C. L. Parsons, J. E. Johnson, G. E. Braal and W. W. Watts, Louisville cyclists en route to Cynthiana, stopped over in Paris yesterday for dinner at the Fordham.

Sprinklers at Chicago must leave a four-foot dry strip on each side of the street for bicyclers. Paris wheelmen would be grateful for a six-inch strip at some places on Main.

The L. A. W. meet which begins today at Cynthiana gives promise of being a gratifying success. The attendance is likely to be large, the races will be well contested and the Maiden City will give the visiting cyclists princely hospitality. Lexington will be represented by fifty wheelmen, Covington by twenty, Louisville by about twenty, Paris by about thirty, Maysville about fifteen, and other points will be represented. Jas. Ingels and C. R. James, of this city, are entered in about a dozen races and expect to bring home some good prizes.

ICIPIENT consumption is cured with Dr. Bell's Pine Tar Honey. Inflammation is allayed and the clogging of the lungs is stopped. When this is accomplished the road to health is a straight one. Get a bottle to-day.

To Cure A Cold In One Day.

TAKE Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. For sale by W. T. Brooks and James Kennedy, Paris, Ky.

"DR. MILES,

Through His Nervine Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nervine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nervine is a benefactor to thousands."

A. C. LEHMAN.
